

Who? – Person from abroad*

A statutory German health coverage exists.

Has the previous coverage (see definition below) existed during the last 12 months without a break?

yes

no

A previous coverage is:

- German/foreign statutory or private health coverage (such as Obamacare)
- EU-/EEA-service providers (e. g. Global Health Insurance, MAWISTA, Care Concept)
- Incoming-coverage/VSAplus2 (no coverage for holidays and private trips)

Remark: A previous coverage without a break may result of a combination of the above mentioned coverages.

In case of hospital, outpatient and additional nursing care coverage a medical examination (form VG 150) is necessary.

A dental examination in case of an additional dental coverage (form VG 149).

Online conclusion is possible.

Alternatively, send paper or PDF application for further check to partner@hallesche.de.

Send paper or PDF application for further check together with all necessary proofs to partner@hallesche.de.

Please state on the application out of which country the person entered.

* Please see the leaflet for further hints and helpful advices for the group of persons and for the previous coverage on "Persons from Abroad" W 63.
